FACULTY SENATE ISSUE FORM
Date Submitted: 21-18-2019
Title of Issue (a short descriptive title by which the issue may be referenced)
Policy and procedures for minor sanctions
Description of Issue:
The current minor sanctions section in the Handbook do not provide for due process or protection of faculty. The proposed policy and procedure will describe how investigations, appeals will be conducted, and levels of recommended disciplinary actions.
Rational for Submission: No procedures or possible disciplinary actions are provided by the current policy on minor sanctions. This proposed policy and process can help protect faculty by providing an investigation procedure and also standards for appeal of unfavorable outcomes. It also provides for levels of disciplinary actions whereas the current policy has none.
