EYEWASH / SHOWER INSPECTION RECORD

PI: _____ **Room:** _____

NOTEs*:*

- Eyewash units and Showers must be tested monthly.
- Post Inspection Record near Eyewash unit (If lab has more than one eyewash unit, Post sign on inside of Main entrance door).
  - Replacement Inspection Records can be found on EHS website:
    - www.odu.edu/ehs "**Forms & Pamphlets**"
- *Lids covering outlet heads should be kept closed when not in use*

Instructions*:*

- Run the units for 2 minutes, ensuring:
  - there is sufficient water flow
  - the hands-free mechanism is functioning
- Initial the appropriate box below to document a passing inspection
- If inspection fails, notify all users and call Facilities Management: 683-4269 for repairs.
  - **Should an exposure occur, flush the affected eye(s) for 15 minutes.**
  - **To ensure adequate flushing, hold eyelid(s) open and roll the eyeball.**
