Welcome!

Welcome to the Department of Parking and Transportation Services at Old Dominion University in Norfolk, Virginia. We are proud to serve our community and campus constituency and we are committed to the safe and beneficial management of all University parking and transportation facilities.

Our goals focus on:

1. Sufficient parking
2. Safe environment
3. Technical innovations
4. Professional and courteous customer services

We understand that parking on the Old Dominion campus can be challenging, but with a basic understanding and few general facts; drivers will actually find that this is a simple system. The system is divided in to faculty/staff lots, commuter lots, resident lots, and a pay as you go lot. We also have stand alone meters throughout the campus and multi-space meters in every garage. Everyone needs a parking/decal to park on campus. They can be obtained at the parking office which is located in Garage "A" on the corner of 43<sup>rd</sup> and Elkhorn Avenue, or at our website. If you have questions we are just a phone call away.

Thanks and welcome to ODU.

James Long
