<b>First Name</b>	
<b>UIN</b>	

**Status**

Student

Faculty/Staff

The  Account is great for students who live on and off campus. It provides the flexibility and convenience of a debit card to use at on-campus facilities. It's flexible because you add money as you need it and convenient because you don't need to carry cash or visit an ATM every time you need lunch money. Any cashier can tell you your balance by simply swiping your card. Anyone can add money anytime and even over the phone!
