**I. PROCEDURE:**

1. **Agency Head or Designee.** An agency head is the officially appointed, elected or designated individual who directs, and is ultimately responsible for, the overall operations of an agency or institution. A **designee** is any other person appropriately designated to act on behalf of the agency head. Such designation must be approved by the agency head in writing and retained on file within the agency. These listings should adhere to the record retention policy in order to provide adequate evidentiary support of appropriate approvals for audit/review purposes. All designee signatures on a reimbursement voucher must be identified as a “designee Signature.”
2. **Base Point.** Place, office, or building where the traveler performs his/her duties on a routine basis. Multiple base points are not allowed.
3. **Commuting Distance.** Round-trip distance traveled routinely by the employee between his residence and his base point.
4. **Commuting Mileage.** Round-trip mileage traveled routinely *and directly* by the employee between his residence and base point incurred on a scheduled workday is considered commuting mileage. An employee can have only one assigned base point. **Commuting mileage and other commuting costs incurred on normal workdays are considered personal expenses and are not reimbursable.**
5. **Commuting Status.** Period of time in which an employee is routinely traveling between his residence and his base point. Mileage and other commuting costs incurred during commuting status are considered a personal expense and are not reimbursable.
6. **Exempt Agency.** A State agency that does not fall under the Executive Branch of State government or whose enabling legislation establishes the organization as a separate political subdivision of the Commonwealth.
