The provisions of this article shall apply notwithstanding the fact that the conduct described may not constitute a violation of the *State and Local Government Conflict of Interests Act*.

“*Immediate family*” means a spouse, children, parents, brothers and sisters, and any other person living in the same household as the employee.

“*Pecuniary interest arising from the procurement*” means a personal interest in a contract as defined in the *State and Local Government Conflict of Interests Act* (§ 2.2-3100 et seq.).

“*Procurement transaction*” means all functions that pertain to the obtaining of any goods, services or construction, including description of requirements, selection and solicitation of sources, preparation and award of contract, and all phases of contract administration.

2. The employee, the employee's partner, or any member of the employee's immediate family holds a position with a bidder, offeror or contractor such as an officer, director, trustee, partner or the like, or is employed in a capacity involving personal and substantial participation in the procurement transaction, or owns or controls an interest of more than five percent;

3. The employee, the employee's partner, or any member of the employee's immediate family has a pecuniary interest arising from the procurement transaction; or

4. The employee, the employee's partner, or any member of the employee's immediate family is negotiating, or has an arrangement concerning, prospective employment with a bidder, offeror or contractor.

§ 2.2-4370. Disclosure of subsequent employment. -- No public employee or former public employee having official responsibility for procurement transactions shall accept employment with any bidder, offeror or contractor with whom the employee or former employee dealt in an official capacity concerning procurement transactions for a period of one year from the cessation of employment by the public body unless the employee or former employee provides written notification to the public body, or a public official if designated by the public body, or both, prior to commencement of employment by that bidder, offeror or contractor.

§ 2.2-4371. Prohibition on solicitation or acceptance of gifts; gifts by bidders, offerors, contractor or subcontractors prohibited. -- A. No public employee having official responsibility for a procurement transaction shall solicit, demand, accept, or agree to accept from a bidder, offeror, contractor or subcontractor any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal or minimal value, present or promised, unless consideration of substantially equal or greater value is exchanged. The public body may recover the value of anything conveyed in violation of this subsection.

B. No bidder, offeror, contractor or subcontractor shall confer upon any public employee having official responsibility for a procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value is exchanged.

§ 2.2-4372. Kickbacks. -- A. No contractor or subcontractor shall demand or receive from any of his suppliers or his subcontractors, as an inducement for the award of a subcontract or order, any payment, loan, subscription, advance, deposit of money, services or anything, present or promised, unless consideration of substantially equal or greater value is exchanged.

C. No person shall demand or receive any payment, loan, subscription, advance, deposit of money, services or anything of value in return for an agreement not to compete on a public contract.

D. If a subcontractor or supplier makes a kickback or other prohibited payment as described in this section, the amount thereof shall be conclusively presumed to have been included in the price of the subcontract or order and ultimately borne by the public body and shall be recoverable from both the maker and recipient. Recovery from one offending party shall not preclude recovery from other offending parties.

§ 2.2-4373. Participation in bid preparation; limitation on submitting bid for same procurement. -- No person who, for compensation, prepares an invitation to bid or request for proposal for or on behalf of a public body shall (i) submit a bid or proposal for that procurement or any portion thereof or (ii) disclose to any bidder or offeror information concerning the procurement that is not available to the public. However, a public body may permit such person to submit a bid or proposal for that procurement or any portion thereof if the public body determines that the exclusion of the person would limit the number of potential qualified bidders or offerors in a manner contrary to the best interests of the public body.

§ 2.2-4374. Purchase of building materials, etc., from architect or engineer prohibited. -- A. No building materials, supplies or equipment for any building or structure constructed by or for a public body shall be sold by or purchased from any person employed as an independent contractor by the public body to furnish architectural or engineering services, but not construction, for such building or structure or from any partnership, association or corporation in which such architect or engineer has a personal interest as defined in § 2.2-3101.

B. No building materials, supplies or equipment for any building or structure constructed by or for a public body shall be sold by or purchased from any person who has provided or is currently providing design services specifying a sole source for such materials, supplies or equipment to be used in the building or structure to the independent contractor employed by the public body to furnish architectural or engineering services in which such person has a personal interest as defined in § 2.2-3101.

C. The provisions of subsections A and B shall not apply in cases of emergency or for transportation-related projects conducted by the Department of Transportation or the Virginia Port Authority.

§ 2.2-4375. Certification of compliance required; penalty for false statements. -- A. Public bodies may require public employees having official responsibility for procurement transactions in which they participated to annually submit for such transactions a written certification that they complied with the provisions of this article.
