

Webb Council Meeting Minutes

Thursday, November 13, 2008

Cape Charles Room

I. Unfinished business:

- a. Recycling cans in Webb Center: Large cans have been placed in Smithfield room (2) and Richmond room (1) to test how often people will use them in reserved rooms
- b. Webb Center maps and directories are being updated, will be posted very soon
- c. Music Selection: All student organizations will be reminded about the process of reserving the DJ booth and other music equipment for their activities and encouraged to consider playing more diverse music during their time in the booth.

II. Announcements:

- a. Dining Services: Café 1201 and Whitehurst/Rogers cafeterias will host food celebrations during Homecoming on November 17, 2008
- b. Jam Rewards program has been updated to “Jam Rewards 2” with new features

New Business:

III. SAC and WODU representatives will work with Dwayne Smith (Media Services)

- a. To determine how to split the music equipment in the DJ booth to make music requests more portable. Goal is to make music ½ portable in Webb Center and ½ permanent in House of Blue.
- b. To reassess the light situation in House of Blue
- c. Ensure that House of Blue still functions as an event area (just with ½ the equip)
- d. Solution to be brought forth at the January Webb Council meeting

IV. Concerns raised that there is no copy machine in Webb Center

- a. Sue Mitchell will research possibilities of bringing one to Webb Center

V. iPrint system is available, but not utilized. Should be advertised more.

VI. Parking Services presentation has been moved to the January meeting.
