

Webb Council Meeting
Thursday, March 19th, 2009
Hampton Room

- I. Café 1201 seating (will continue thru next meeting)
- Staff is counting seating every 15 minutes to see how students occupy the space in Café 1201
 - There are 524 seats to occupy at any time (max)
 - There were 182 vacancies was at most during counting times
 - There were 447 at 11:30 Tuesday (447 vacant or occupied?)
 - Finding that there are too many one-person spaces
 - Need to have more two-person spaces
 - Need to have less 12-person spaces
 - Areas w/ internet wireless access
 - Is wireless working all over Café 1201?
 - Is power plug availability an issue?
 - We should find a way to get charging stations- Don suggested
 - Problem with students sitting in North Caf and not being able to re-entering Café 1201
 - Is it clear that you can come back to get more w/ a receipt?
 - Does staff know? Do students know?
 - Should N. Café eaters be able to get trays?
 - Is N. Café inviting for individuals to see alone?
 - Thinking of changing bar seating so that lone eaters can see other people
 - Add cocktail tables with long chairs/stand up around them
- II. Student Org/OSAL space on 1st floor of Webb
- a. OSAL new space in Webb blueprint handed out (see attached)
 - b. Now is the time for student orgs to decide what they want (glass doors, large v. small windows, etc)
 - c. Are there opportunities for privacy/confidentially with door designs?
 - d. Add large window to conference room
 - e. Highly likely that all renovations will be done by 9/15
 - f. Vending machines will be in South Mall hall beside Monarch Market
- III. Lock-ins-OSAL...tabled for next meeting
- IV. Miscellaneous Announcements
