

**Webb Council Meeting**  
Tuesday, April 15, 2009  
Chesapeake Room

- I. **“Don’t Dump It, Recycle”:** Jennifer Midgett shared a recycling program that is being done by the campus recycling program. This program encourages students to recycle their items that they do not need. The committee shared that they thought the word recycle sent the wrong message, they suggested donate. They also indicated they have no seen any publicity for this program.
- II. **Webb Center Update:** Construction plans have been submitted to Committee for review. It is anticipated that we will begin construction in early May.
- III. **Summer food hours** will be sent to the committee
- IV. **Membership Accountability:** Webb Council should have more structure and membership held accountable for attending meetings.
- V. **Discussion**
  - a. Space application is being developed for all vacated space
  - b. Should the Red Center Advisory Committee & Webb Council be one committee?
  - c. Both items will be discussed at future meetings
