Assistant Director, Office of Student Conduct & Academic Integrity
Division of Student Engagement & Enrollment Services

Old Dominion University (ODU) invites applications for the position of Assistant Director in the Office of Student Conduct & Academic Integrity. The Assistant Director will assume primary responsibility for coordinating the resolution of academic integrity referrals, including development and oversight of an Academic Integrity Council. The Assistant Director will implement programming and assessment initiatives that promote a culture of academic integrity. As a member of the unit’s leadership team, the Assistant Director will also deliver programs and services to meet the needs of off-campus students; serve as a Conduct Officer for academic and nonacademic violations of the Code of Student Conduct (http://ww2.odu.edu/ao/bov/manual/pdfs/1530.pdf); and assist in the general administration of the student conduct system. This newly-created, full-time, 12-month, administrative faculty position will report to the Director of Student Conduct & Academic Integrity and Assistant to the Vice President for Off-Campus Initiatives.

Minimum Qualifications
- Advanced degree in student affairs, higher education, law, psychology, sociology or other related field from a regionally accredited institution
- Prior experience adjudicating student conduct cases as a student conduct officer or conduct board member/advisor
- Knowledge of applicable legal issues and best practices related to student conduct & conflict resolution
- Exceptional oral and written communication skills

Preferred Qualifications
- Experience adjudicating academic misconduct in the college/university environment
- Experience with Maxient’s Conduct Manager software
- Prior attendance at the Donald D. Gehring Academy for Student Conduct Administration

About the University
Old Dominion University, located in the City of Norfolk in the metropolitan Hampton Roads region of coastal Virginia, is a state-assisted, Carnegie doctoral/research-extensive institution that serves its students and enriches the Commonwealth of Virginia, the nation, and the world through rigorous academic programs, strategic partnerships, and active civic engagement. Its 25,000 students, including over 6,000 graduate students and approximately 5,000 residential students, form a diverse and multicultural community across campus, at higher education centers in the region, and at numerous distance learning sites.

Application Process
Applicants should submit a cover letter addressing the advertised qualifications, resume, and contact information for three professional references. All submissions should be sent electronically (PDF preferred) to academicintegritysearch@odu.edu. Review of applications will begin March 11, 2013 and will continue until the position is filled. The anticipated start date is May 10, 2013. Salary is commensurate with qualifications and experience. The University offers an excellent benefits package.

Old Dominion University is an equal opportunity, affirmative action institution and requires compliance with the Immigration Reform and Control Act of 1986.

- I assist the Offices of Judicial Affairs and the Dean of Students by resolving incidents of student misconduct on and off-campus, as well as coordinate College Judicial Hearings. I plan and implement monthly training sessions for the College Judicial Board, and conduct and share research on best practices and new trends in student conduct with Board members. I manage our on-line database system, as well as prepare additional statistical reports, including Clery data, and monthly reports of cases and their progress. I coordinate the sanctioned community service program working with on and off-campus entities to provide students the opportunity to give back to the community in meaningful ways. I conduct training/informational services for other campus departments on our office, our processes, and other college policies. I am the primary liaison between the Office of Judicial Affairs and University Police, Residence Life, Student Life, and our prevention programming offices. I assist the Dean of Students in numerous projects outside of student conduct, including student programming, assessment initiatives, research, working with students of concern, investigations, the Annual Student Leadership Awards, and other tasks as assigned.

- I assisted the Director of Judicial Affairs in coordinating the efforts of the Judicial Affairs Office. I work on promotional/informational outreach, interoffice/department communications, scheduling, coordinating hearings and the on-line “Judicial Action” software for the office, researching/policy revisions, and resolving student violations of the College’s Code of Conduct. I work with various college and community constituents to maintain the “Civil and Caring Academic Community” that that college is founded on through student re-education and restorative methods. I continue to assist in the coordination of the College Judicial Review Committee, which assess all incidents of student behavior on and off-campus.

- I assisted in revising judicial policy. My duties included drafting, researching, and editing the Code of Student Rights, Freedoms, and Responsibilities, inter office procedures for student conduct, maintaining case files, and transitioning to the online data base Judicial Action.

- I assisted in researching, revising, and editing policy regarding sexual misconduct, rights of victims and the accused, and procedure on handling such cases, and creation/implementation of sexual violence prevention programs. I assist in the day-to-day operation of the office and events coordinated by it. I was integral in the creation of the Colleges new Sexual Misconduct Policy addressing the concerns of the OCR “Dear Colleague Letter” and Title IX.

- I assisted in the revising of Greek Life Policy including drafting and editing organizational documents, college policy, and judicial policies, as well as managed community service/philanthropy hours and other projects as assigned. I served as the liaison for the Greek Judicial Board and provided training sessions to student leaders on campus policies, leadership skills, and proper procedures. I also assisted in a re-organization of the Inter-Greek Association and assessment and evaluation of the entire Greek system with Consultant David Westol.
Joshua D. Rich  
**SUNY Student Assembly** Albany N.Y.  
Director of Academic and Student Affairs

- As a graduate student I worked with SUNY System Administration, including the Chancellor and Provost of the system, as well as individual campuses within the SUNY System on issues dealing with the continued excellence of our academic and student affairs programs. I also served as a representative on numerous faculty and administrative committees. I served as the liaison between students and the SUNY System administration, as well as other state agencies. I lobbied on behalf of higher education reform at the state level, and participated in the creation and implementation of the SUNY Strategic Plan.
