

**UPDATED: 11/30/07**

**POSITION TITLE: Business Statistics Instructor**

**POSITION NUMBER: FO419A**

**STATUS: Tenure Ineligible**

**REVIEW OF APPLICATIONS BEGINS: 12/15/2007**

**POSITION BEGINS: Academic Year 2008 – 2009**

### **Business Statistics Instructor**

Old Dominion University's College of Business & Public Administration seeks applicants for a full-time Instructor in the Information Technology and Decision Sciences Department beginning July 25, 2008. Candidates should possess a master's degree with courses in probability and statistics, and should have knowledge of business applications. The candidates should have either professional experience in statistics; an active research record with refereed journal publications, or ABD status in a doctoral program within an appropriate field. Candidates should have excellent communication skills. Preference will be given to applicants with graduate-level course work in management science/quantitative analysis and with teaching experience in statistics and quantitative analysis. Submit a letter of interest, curriculum vitae, names and contact information for three references, teaching evaluations for statistics or quantitative analysis classes, and either a graduate transcript or list of completed graduate courses to: Dr. Carol Markowski, Information Technology & Decision Sciences Dept., Old Dominion University, Norfolk, VA 23529-0219. Telephone: (757) 683-4668, e-mail: cmarkows@odu.edu Review of applicants will begin December 15 and continue until the position is filled.
