TITLE: **Editorial Revisions to Board of Visitors Policies
and Procedures When There are Title Changes and
Changes in Office Names**

APPROVED: **June 20, 1991**

RESOLVED, that the Board of Visitors approves editorial revisions to Board of Visitors policies and procedures when there are title changes and changes in office names. The Office of the Provost and Vice President for Academic Affairs and the Office of the General Counsel have authority to make these kinds of revisions to Board policies without presenting individual policies to the Board of Visitors for approval.

Rationale: There are times when the title of university administrators and the names of university offices changes. Recent examples include changing the title of the vice president for academic affairs to provost and vice president for academic affairs, and changing the name of the Office of Affirmative Action/ Equal Employment Opportunity to the Office of Equal Opportunity/ Affirmative Action. These titles and office names may appear many times in Board policies and procedures. Allowing these editorial changes to be made without presenting individual policies to the Board each time a change is made keeps the information in the policies and procedures current, and allows the Board to spend its time on more substantive issues.
