The screenshot shows the WEAVEonline website interface. The header includes the Old Dominion University logo and the text "Welcome to WEAVEonline® assessment management system". The main content area is divided into three sections: "Local News", "WEAVEonline News", and a circular diagram illustrating the assessment cycle. The "Local News" section contains two items: "Welcome ODU!" (dated 4/26/06 - 5/31/06) and "System and Browser Requirements". The "WEAVEonline News" section contains an "FAQ Update" regarding technical FAQs. The circular diagram shows the assessment cycle: "Write expected outcomes/objectives" leads to "Establish criteria for success", which leads to "Assess performance against criteria", which leads to "View assessment results", which leads to "Effect improvements through actions", which leads back to "Write expected outcomes/objectives".
