I understand that in order to receive financial aid through ODU during my period of study abroad, I must maintain a courseload equivalent to full-time study at ODU:

**Undergraduate students:** 12 credits per semester, 6 credits during summer

**Graduate students:** 9 credits per semester, 3 credits during summer

Failure to maintain a full-time courseload could result in denial of financial aid for subsequent terms.

I understand that in order for my financial aid for study abroad to be processed, I must submit a budget prepared by the study abroad advisor to the appropriate counselor in the Financial Aid Office. If I withdraw from the program, I need to inform both the Office of Study Abroad and the Financial Aid Office of this change in status.

Under the terms of the exchange agreement, I understand that the Office of Study Abroad will bill my student account regular tuition charges and fees for 12 credits. If my financial aid is not sufficient to cover this charge, I understand that it is my responsibility to pay the balance on my account. In order to expedite this process, I agree to the following:

I understand that I am responsible for the direct payment of all expenses associated with the exchange other than tuition directly to the appropriate source. Questions about this should be directed to the study abroad advisor.
