Professional Educator Preparation in Special Education for Children with Low Incidence (PEPSE/CHILI): Master of Science Degree Program in Education, Special Education Major, Adapted Curriculum K-12 Concentration

Program Application Process: Application process includes two parts (PART 1 & PART 2)

PART 1. Each participant must submit a complete application online through the Office of Graduate Admissions as a degree seeking graduate student. The complete application must be received by the designated deadline, according to the ODU Graduate Catalog. This portion of the application consists of the following:

A. Official college transcripts from all universities attended other than Old Dominion University. No grade reports will be accepted;

B. A copy of any Special Education or General Education Provisional License from the Virginia Department of Education. This information consists of:
   - the license certificate in the teaching area of MR, ED, SLD, GC K-12; and/or or Special Education: Adapted Curriculum K-12; or other endorsement area
   - the VDOE letter outlining the endorsement requirements for Special Education: Adapted Curriculum; and

C. Copies of any test scores or certificates [e.g., PRAXIS Core, SAT/ACT; Graduate Record Exam (GRE), Miller Analogies Test (MAT), Virginia Communication and Literacy Assessment (VCLA), Reading for Virginia Educators (RVE)/Virginia Reading Assessment (VRA), Technology Standards for Instructional Personnel (TSIP), or PRAXIS II, First Aid/CPR/AED training].

D. Essay: A 400-500 word goal statement indicating why the student wishes to enroll in the special education program.

PART 2. A completed PEPSE/CHILI Application Form (see p. 2)

Old Dominion University is an equal opportunity, affirmative action institution.

Grant funded by the US Department of Education, Office of Special Education Programs Award #H325K1500208
