The Department of Modeling, Simulation and Visualization Engineering at Old Dominion University and the Virginia Modeling, Analysis and Simulation Center (VMASC) Industry Association are pleased to announce a scholarship opportunity for Virginia Community College System students who have an interest in a career in modeling and simulation engineering.

One eligible student will receive a $1,500 scholarship upon transferring to ODU with an Associate of Science degree and planning to enroll in the Bachelor of Science degree program in Modeling and Simulation Engineering.

To apply, students should follow the directions outlined on this flyer. All materials must be submitted electronically by December 9, 2016.

The recipient will be notified in writing and the award will be credited to the student's account upon successfully enrolling in the fall semester.

For more information on the BS in Modeling and Simulation Engineering program, please visit: http://www.odu.edu/msve

Requirements:

1. Statement describing how the scholarship will advance the applicant’s career pursuits in the area of modeling and simulation (no more than 500 words);

2. Personal resume to include positions, outstanding awards, presentations, publications (if any), and leadership capabilities;

3. Transcripts (unofficial copies are acceptable) from all previous colleges and universities attended; and,

4. Optional but strongly recommended: Two letters of recommendation; at least one of these letters must be from a faculty member or academic advisor.

Deadline for Submission:

December 9, 2016

How to Apply:

Submit all of the above items in an electronic format in one e-mail to the Department of Modeling, Simulation and Visualization Engineering. The e-mail should be addressed to msve@odu.edu.

For more information, please contact the Department of Modeling, Simulation and Visualization Engineering at (757) 683-3720 or e-mail msve@odu.edu
