Students admitted to the undergraduate and graduate sociology and criminal justice programs can be expected to complete course requirements, which necessitate the physical and mental abilities listed below. Any student who thinks he/she does not possess one or more of the following skills should seek assistance from an academic counselor or faculty advisor and Educational Accessibility concerning any flexibility in program requirements and possible accommodation through technical aids and assistance.

1. Assimilate large amounts of material communicated through lectures, discussions and readings.
2. Comprehend and manipulate abstract concepts.
3. Communicate effectively and organize thoughts to prepare written documents that are correct in grammar, style and mechanics.
4. Function with computers to generate, acquire and analyze data.
5. Achieve at least an intermediate level of competence in a foreign language or in computer skills.
