V. REGULAR AGENDA

A motion was made by Mr. Cofer and seconded by Dr. Maniscalco-Theberge to approve proposed revisions to three policies, Certificate of Recognition for Terminally Ill and Deceased Students, Tenure, and Evaluation of Faculty, and the establishment of three new policies, Academic Rank and Criteria for Ranks, Promotion in Rank, and Evaluation of Lecturers and Senior Lecturers and Promotion of Lecturers.

The revisions to the policy on Certificate of Recognition for Terminally Ill and Deceased Students provide clarification and standardize the process by adding information on procedures to be followed in these cases. The revisions to the policy on Tenure provide clarification, make the policy more current, and correct several of the dates included in the policy. Many of the changes to the policy on Evaluation of Faculty involve reorganizing the policy and updating it so it is more current. In addition, the details describing evaluation of teaching, evaluation of scholarly activity and research, and evaluation of service have been removed and will be included in separate policies upon approval of the proposed revisions.
Much of the information in the three new policies was included in the policy on Academic Rank and Promotion in Rank, which will be rescinded upon approval of the three separate policies. Additional revisions to the policy on Promotion in Rank include adding language for clarification and providing information on the process for promotion of research associate and assistant professors.

The motion to approve revisions to the policies on Certificate of Recognition for Terminally Ill and Deceased Students, Tenure, and Evaluation of Faculty and to establish three new policies, Academic Rank and Criteria for Ranks, Promotion in Rank, and Evaluation of Lecturers and Senior Lecturers and Promotion of Lecturers, was approved by unanimous vote (Bernd, Cheng, Cofer, Kilmer, Maniscalco-Theberge, Reidy).
