V. ATHLETIC UPDATE BY WOOD SELIG, ATHLETIC DIRECTOR

Dr. Wood Selig, Athletic Director, provided Academic Progress Reports on our student athletes. The NCAA developed the Academic Progress Report to track a university’s commitment to enhancing the student-athlete’s potential of earning their undergraduate degree and provides a “real time” snapshot of a team’s eligibility and retention success. The NCAA set a minimum APR standard of 925 for each athletic program. All our men’s and women’s programs met or exceeded APR standards for post-season eligibility. In addition, during Spring 2013 semester 134 student athletes (31%) earned Dean’s List Honors; 28 (6%) earned a 4.0; and 238 (55%) earned a 3.0 or higher. Twelve teams had a Spring 2013 semester GPA of 3.0 or better.

VI. ADJOURNMENT

There being no further business, the meeting adjourned at 12:10 p.m.
