Are you wondering about your grades?

What’s my grade in this class?

What do I need to get on my exam to get a B in this class?

How is my grade in this class going to affect my GPA?

The Sophomore Success Program can help you figure it all out!

Make an appointment to stop by the Student Success Center, and we will help you calculate your grades. Bring your syllabus and all your graded work and learn to:

★ Interpret the grade scale in your class
★ View and understand your grades on Blackboard
★ Calculate your current grade in a course
★ Predict your semester and cumulative GPA
★ Calculate what grade you need on the final exam
