A. PURPOSE

The purpose of this policy is to define the requirements for institutional or individual memberships in professional organizations, civic organizations, and social clubs that are paid by the University.

B. AUTHORITY

Code of Virginia Section 23.1-1301, as amended, grants authority to the Board of Visitors to make rules and policies concerning the institution. Section 6.01(a)(6) of the Board of Visitors Bylaws grants authority to the President to implement the policies and procedures of the Board relating to University operations.

Old Dominion University has executed a Memorandum of Understanding (MOU) with the Commonwealth’s Department of Accounts and Department of the Treasury relating to the decentralization of nonpayroll disbursements. The MOU documents the agreement in accordance with the Appropriations Act to delegate the operation of nonpayroll disbursement to Old Dominion University as part of a program to grant relief from rules, regulations and reporting requirements in the areas of finance and accounting.

Students include all persons admitted to the University who have not completed a program of study for which they were enrolled; student status continues whether or not the University’s programs are in session. Affiliated organizations are separate entities that exist for the benefit of the University through an operating agreement and include the Foundations, the Community Development Corporation, and the Alumni Association.

E. POLICY STATEMENT

Old Dominion University will pay for institutional and individual memberships to professional organizations, civic organizations, and social clubs provided the membership is related to the professional or civic responsibilities of the relevant department and/or individual member and to the mission of the University if the availability of departmental funds is authorized by the Budget Unit Director and the membership is approved by the President or designee. It is the responsibility of the individual to get the written approval of the Budget Unit Director and Vice President or designee.

F. PROCEDURES

1. Institutional memberships in professional or civic organizations may be paid from budgeted Educational and General, auxiliary, discretionary or gift funds, with authorization of the Budget Unit Director and approval of the President or respective Vice President. It is the responsibility of the approver to annually review institutional memberships prior to renewal.

2. Individual memberships in professional or civic organizations are generally considered to be personal professional obligations. Individual memberships may be paid from Educational and General, auxiliary, discretionary or gift funds, with authorization of the Budget Unit Director and approval of the President or respective Vice President, provided that:

   c. University representation to a professional organization is institutionally important but institutional memberships are not available; or

Expenditures for such memberships are restricted to one per individual, and are considered to be important in conducting University business. Memberships will be permitted only in clubs and organizations whose policies are consistent with the University’s Equal Opportunity and Affirmative Action policies.
