D. SCOPE

This policy applies to all employees, students and employees of affiliated organizations who are paid through the University. Employees include all staff, administrators, faculty, full- or part-time, and classified or non-classified persons who are paid by the University. Students include all persons admitted to the University who have not completed a program of study for which they were enrolled; student status continues whether or not the University’s programs are in session. Affiliated organizations are separate entities that exist for the benefit of the University through an operating agreement and include the Foundations, the Community Development Corporation, and the Alumni Association.

E. POLICY STATEMENT

The Board of Visitors has delegated responsibility to the Educational, AthleticIntercollegiate, 
Museum and Real Estate Foundations to receive and acknowledge gifts on the University’s behalf. 
Gifts must be properly received, acknowledged and expended by the Foundation in accordance 
with any donor restrictions, and gift resources transferred to the University in a planned and 
prudent manner.

F. PROCEDURES

1. Gifts for the benefit of the University will be deposited in the appropriate accounts of the 
   University, Educational Foundation, AthleticIntercollegiate Foundation, Museum Foundation
   or Real Estate Foundation. Gifts may be restricted to a College, department, or program by 
   the donor with the approval of the Vice President for University Advancement or his/her 
   designee.

2. By February 15 of each year, the Vice President for University Advancement or his/her 
   designee will submit to the President a report including the total of all gifts received during 
   the past fiscal year by the Foundations or other calculated amounts in accordance with 
   applicable spending policies in effect at that time. Included in the report will be details on any 
   donor restrictions and the amounts available for expenditure.

3. As part of the University's annual budgeting process:
   a. Each Vice President is responsible for requesting gift and endowment transfers to existing 
      Ledger 6 budgets and establishing, as necessary, the ledger 6 budgets for restricted gifts 
      available for expenditure in the appropriate budget unit. Normally gifts will be expended 
      from a single department or College Ledger 6 budget account following transfer from the 
      Foundations. The Budget Unit Director responsible for each Ledger 6 budget must ensure 
      that any and all gift restrictions are met in accordance with the Memorandum of 
      Understanding maintained by the Foundations. It is expected that the funds will be 
      expended by the department or College during the fiscal year in which they are budgeted.
   b. Following approval of the Operating Budget and Plan by the Board of Visitors, the Budget 
      Office will prepare a written request to the Foundations to transfer to the University their 
      respective funds to be budgeted for the coming year and provide the option for direct 
      expenditure from the Foundations at the request of the President of the University. The 
      Budget Office will specify Foundation accounts and corresponding Ledger 6 budgets for 
      cash transfers.
c. Vice Presidents or their designees may petition the University Budget Office for exceptions to this policy in order to expend restricted gifts needed or designated for the current year.

G. RECORDS RETENTION

Applicable records must be retained and then destroyed in accordance with the Commonwealth’s Records Retention Schedules.
