Agreement & Application

Building collaborative partnerships

V M A S C

Virginia Modeling, Analysis & Simulation Center

The Discipline of M&S™

This document will serve as a non-disclosure agreement and all specific information shared by your organization will be considered confidential

Membership Advantages

Association with the leaders in modeling, simulation and visualization

Support, utilize and integrate with the pillars of the Discipline of M&S

Access to membership modeling, simulation, tools and expertise

Modeling and simulation graduate programs (masters & Ph.D.) at Old Dominion University
State of the art simulation laboratories

- Latest version of standard industry software tools
- Variety of hardware suites
- Virtual reality and visualization facility

First public university battle laboratory and decision support center

Military modeling and simulation expertise and knowledge base

Collaborative research to extend the frontiers of modeling and simulation knowledge

“Partnering to bring you the highest value and return for your investment in VMASC membership.”

Virginia Modeling, Analysis and Simulation Center

MVP Benefits

On a scale of 1-5, rate the importance of the following benefits and services by prioritizing below from the most important to the least important:

Benefits for all members

- 1. Joint use of VMASC and your organization's logo indicating membership
- 2. Listing on the VMASC website with a hyperlink to your site
- 3. Placement of your MS&V demos in the VMASC demo library
- 4. Use of VMASC's MS&V software and hardware for evaluation
- 5. Access to Old Dominion University's Career Management Center for intern and co-op student programs
- 6. Participation in VMASC technology events, symposia or colloquia
- 7. Opportunity to serve on the Advisory Board through a nomination process

Services available

- 8. VMASC technical support for research and development projects
- 9. Non-exclusive teaming in competitive proposals (cost dependent on VMASC role)
- 10. Academic research projects with faculty and students
- 11. Assistance in obtaining Virginia's Center for Innovative Technology Grants (in Virginia only)
- 12. VMASC technology assistance for SBIR/STTR and other grants and contracts
- 13. Assessment of your organization's MS&V needs and/or defining your business development strategy
- 14. Licensing of VMASC technology
- 15. Access to M&S short courses and certification programs

Please identify your organization's initiatives with VMASC for the coming year:

- 1. _____

- 2. _____

Membership Application

Please indicate the annual membership appropriate for your organization

1. Industry

Class	Annual Gross Revenue	Annual Member Dues
<input type="checkbox"/> I.	More than \$100 million	\$15,000
<input type="checkbox"/> II.	\$50 million – \$100 million	\$10,000
<input type="checkbox"/> III.	\$25 million – \$50 million	\$7,500
<input type="checkbox"/> IV.	\$10 million – \$25 million	\$5,000
<input type="checkbox"/> V.	\$1 million – \$10 million	\$2,500
<input type="checkbox"/> VI.	Less than \$1 million	\$1,000

20% of your annual dues can be allocated to support services

2. University

3. Federal Government

4. State/Local Government

5. Affiliate (A non-profit organization providing training, information, and/or assistance to the simulation industry)
