Format

The written is designed to take 90 minutes and will consist of extracts from the *lēctiōnēs* from *Capitula XXV-XXVIII*. During this exam you will be required to:

1. translate from Latin into English.
2. parse any of the verb forms, including irregular verbs, that you have seen in Latin up until this point (i.e. indicate person, number, voice, tense, mood).
3. identify why the subjunctive is being used.

If you do not know a word, you may ask (up to 6 times) for its dictionary forms and definition.

The best thing you can do to study for this exam is to re-read *Capitula XXV-XXVIII*. and review verbal forms!
