PLEASE NOTE: All composition majors are required to attend 60 Blue Card events in order to be eligible for graduation. These department-approved events are posted each semester. Eight of the 60 Blue Cards required for graduation must be Diehn Series concerts. Students may not graduate without fulfilling this requirement. It is strongly recommended that a student attend a minimum of two Diehn concerts per year to meet this goal.

Each student in composition will be required to pass a piano proficiency exam before being allowed to enroll as a composition major.

Composition majors are required to present a lecture-recital containing 30 minutes of original music.

**Students must pass a music theory placement test prior to enrollment in this course.*

***Students are required to earn credits through participating in ensembles appropriate to their specialties.*

****Madrigal Singers, Collegium Musicum, opera workshop, jazz choir, and jazz, brass, percussion, guitar, string, woodwind, or piano ensemble.*

*****Upper Division General Education may be satisfied by several options. Consult your catalog and advisor for your best option.*
