Old Dominion University
CAEP Annual Reporting Measures
Old Dominion University, Darden College of Education is in the process of collecting data about its program completers’ impact on P-12 learning and development. Data should be available Fall 2018.
Old Dominion University, Darden College of Education is in the process of collecting data about its program completers’ teaching effectiveness. Data should be available Fall 2018.
In an effort to obtain employer satisfaction information, the Darden College of Education surveyed building principals from Chesapeake Public Schools who currently employed ODU graduates as teachers. The data are provided in the charts that follow. In Spring 2018 the survey will be disseminated to principals in other school districts.
Satisfaction of Employers

Commonwealth of Virginia licensure exam requirements:

The most recent VA Biennial Report demonstrates that all ODU Teacher Education completers are meeting all state requirements for hire.

The Commonwealth of Virginia’s Critical Shortage Areas report identifies subject areas for which school divisions face the largest difficulty in finding qualified educators. ODU prepares candidates in all of these areas.

- http://teachvirginia.org/critical.html
- ODU is not able to provide student default rates for the EPP programs or the College of Education. Below is information from the National Student Loan Data System for Old Dominion University:
