SEES Travel Award Update

This is Debbie Woodell in the SEES Dean of Students Office. I manage a travel award for UG and GR students that provides up to \$500 for conference travel or remote participation if their applications are approved and would appreciate your sharing this information with your students.

Below are details regarding the SEES Travel Award for the upcoming year. Let me know if you have any questions.

COVID UPDATE for 2021-22 Travel Award

Should CDC, State or University regulations change regarding physical domestic or international travel after application is submitted, students will be notified. Applications will continue to be accepted for conference registration fees for students who will attend or present remotely.

The **SEES Travel Award** was established to support graduate and undergraduate students' travel to conferences (local, national, international) for the purpose of disseminating results of scholarly activity, exhibiting or performing creative works, competing or attending in order to further their research efforts.

Guidelines, Instructions and Application Form can be found online at: https://www.odu.edu/set/travel

Due to limited funds, students who have previously received this award are ineligible to apply.

Applications must be submitted minimally 30 days prior to travel; however, it is advantageous to apply early as funds can deplete quickly.

Travel must occur prior to student's graduation date.

INCOMPLETE AND LATE APPLICATIONS WILL BE DENIED WITH NO EXCEPTION AND CANNOT BE RESUB-MITTED.
