

OLD DOMINION UNIVERSITY

College of Health Sciences

Congratulations! Your excellent academic performance during the Spring 2022 semester has qualified you for the College of Health Sciences Dean's List. This list recognizes students who earn a 3.40 or better grade point average while completing twelve or more hours in the semester.

As a Dean's List student you are also on your way to graduating "with honors". The "with honors" designation for baccalaureate degrees is determined according to the following cumulative grade point averages for students who have completed 60 or more credit hours at Old Dominion University with at least 54 of those hours in letter-graded courses:

Cum Laude	3.40 – 3.65
Magna Cum Laude	3.66 – 3.85
Summa Cum Laude	3.86 – 4.0

Since the programs in the College of Health Sciences are among the most competitive and rigorous offered at the university, you can be especially proud of this achievement. A special thanks to those who have provided a supportive environment for you to pursue your educational goals with such a successful outcome.

Again, the faculty and I congratulate you for your dedication and commitment to academic excellence. It is a pleasure to have you as a valued student of the College. We hope your academic achievements continue throughout your experience at ODU and in your future endeavors as well.
