Old Dominion University Speech and Hearing Clinic

Virtual Aphasia Group

Chat With Us Via Zoom!
The goal of Aphasia Group is to bring individuals with communication difficulties together in a facilitative environment. Group members participate in fun and educational language activities designed to improve confidence and communication competence. All communication levels are welcome. Sessions are facilitated by graduate student clinicians and supervised by a licensed speech-language pathologist.

Can’t Wait to See you There!
Sessions are Wednesdays 1:00 – 2:00 pm
October 7th – December 9th 2020
