This literacy program is designed for children experiencing difficulty with language and literacy skills. The program will focus on improving children’s vocabulary, word reading, and spelling. Participants will learn to investigate what words mean, how they are built, and why they are spelled the way they are. The program will be conducted virtually in small group teletherapy sessions.

Participants: 
Elementary Students 
Grades 1-2 (Group 1) 
Grades 3-4 (Group 2) 

Mondays & Wednesdays 
3:00pm – 3:45pm 

FEE: $120.00 

Limited Spots Available 

Registration will be open until September 28 or until all openings are filled 

Each group will be led by graduate clinicians and supervised by a Speech-Language Pathologist
