NOTE: Admission to the BFA program is open to all students. Since it is a professional arts program with a continuance portfolio, students are expected to begin their foundation courses in their first year. It is important for students who are considering the BFA as an option to consult with the chief departmental advisor before or during their first semester at Old Dominion University. This plan is merely a guide, not a guarantee, and is predicated upon course availability and enrollment. To reduce fall or spring semester loads, some courses can be taken during the summer.

Students seeking continuance into the BFA program must first complete at least 15 hours of foundation courses with a minimum grade of C. Students must then submit a portfolio of their work for evaluation by a designated faculty committee and indicate their intended area of concentration.

\*All BFA students must choose one of the following concentrations after completion of the 15 hours of foundation courses: Drawing and Design, Fibers, Graphic Design, Three Dimensional Media, Painting, Print and Photo Media.

\*\*See course listings in catalog and consult with your advisor for correct ARTS and ARTH elective choices.

\*\*\*Upper Division General Education may be satisfied by several options. Consult your catalog and advisor for your best option.

Requirements for graduation include a minimum cumulative grade point average of 2.00 overall and in the major, a grade of C or better in all courses required for the major, including prerequisite courses, 120 credit hours, which must include both a minimum of 30 credit hours overall and 12 credit hours in upper-level courses in the major program from Old Dominion University, completion of ENGL 110C, ENGL 211C or 221C or 231C, and a writing intensive (W) course in the major with a grade of C or better, and completion of Senior Assessment.
