## 2018 - 2019 Old Dominion University Catalog Bachelor of Science in Biology -Marine Biology Concentration

Sample four year curriculum with a suggested ordering of courses. Students may re-order as needed. Consult with Advisor.

| YEAR 1 - FRESHMAN (32 CREDITS)                                   |   |  |     |
|--|---|--|-----|
| FALL SEMESTER (16 credits)                                       |   | SPRING SEMESTER (16 credits)                         |     |
| General Education Coursework:                                    |   | General Education Coursework:                        |     |
| ENGL 110C  | 3 | ENGL 231C  | 3   |
| Oral Communication   | 3 | Human Creativity                                     | 3   |
| Interpreting the Past  | 3 | MATH 162M  | 3   |
| Language and Culture I (May be waived, see catalog)              | 3 | Language and Culture II (May be waived, see catalog) | 3   |
| BIOL 121N/122N   | 4 | BIOL 123N/124N                                       | 4   |
| YEAR 2 - SOPHOMORE (33 CREDITS)                                  |   |  |     |
| FALL SEMESTER (16 credits)                                       |   | SPRING SEMESTER (17 credits)                         |     |
| General Education Coursework:                                    |   | General Education Coursework:                        |     |
| Information Literacy and Research: CS 121G or STEM 251G required | 3 | Human Behavior                                       | 3   |
| MATH 163   | 3 | Philosophy and Ethics                                | 3   |
| Major Coursework:  |   | Major Coursework:                                    |     |
| STAT 130M  | 3 | BIOL 292   | 3   |
| BIOL 291   | 3 | MATH 211   | 4   |
| CHEM 121N/122N   | 4 | CHEM 123N/124N                                       | 4   |
| YEAR 3 - JUNIOR (32 CREDITS)                                     |   |  |     |
| FALL SEMESTER (16 credits)                                       |   | SPRING SEMESTER (16 credits)                         |     |
| General Education Coursework:                                    |   | Major Coursework:                                    |     |
| Literature   | 3 | BIOL 303   | 3   |
| Impact of Technology   | 3 | PHYS 111N  | 4   |
| Major Coursework:  | 4 | BIOL 331<br>OEAS 306                                 | 3 3 |
| OEAS 111N<br>CHEM 211  | 3 | 300/400 level Marine Biology Elective*               | 3   |
| BIOL 293   | 3 | 300/100 level Maine Biology Elective                 | 3   |
| YEAR 4 - SENIOR (29 CREDITS)                                     |   |  |     |
| FALL SEMESTER (15 credits)                                       |   | SPRING SEMESTER (14 credits)                         |     |
| Major Coursework:  |   | Major Coursework:                                    |     |
| BIOL 405W, 423W, 430W, 436W, or 488W                             | 3 | CHEM Elective 200-level or higher                    | 5   |
| 300/400 level Marine Biology Elective*                           | 3 | Upper Division Gen. Ed. Coursework:                  |     |
| 300/400 level Marine Biology Elective*                           | 3 | 300-/400-level Option D or Approved Minor            | 3   |
| 300/400 level Marine Biology Elective*                           | 3 | 300-/400-level Option D or Approved Minor            | 3   |
| Upper Division Gen. Ed. Coursework:                              |   | 300-/400-level Option D or Approved Minor            | 3   |
| 300-/400-level Option D or Approved Minor                        | 3 |  |     |

Students in the program are expected to participate in non-credit, monthly meetings of the ODU Marine Biology Association. One course completed at an off-campus marine biology laboratory or study abroad program is strongly recommended, as is a research, practicum, or internship experience in marine biology. Other requirements are listed under the Bachelor of Science—Biology Major. Marine biology students may also select a minor in ocean and earth science.

Requirements for graduation include a minimum cumulative grade point average of 2.00 overall and in the major, a grade of C or better in all courses required for the major, including prerequisite courses, 120 credit hours, which must include both a minimum of 30 credit hours overall and 12 credit hours in upper-level courses in the major program from Old Dominion University, completion of ENGL 110C, ENGL 211C or 221C or 231C, and a writing intensive (W) course in the major with a grade of C or better, and completion of Senior Accessment

<sup>\*</sup>Students are required to take at least 15 semester credit hours in approved marine biology related courses at the 300-400 level (consult with advisor). All required and elective courses used for the concentration must be passed with a C (2.0) or better.
