This four-year plan is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

Requirements for graduation include completion of ENGL 110C, ENGL 211C or ENGL 221C or ENGL 231C, and the writing intensive (W) course in the major with a grade of C or better, completion of the Senior Assessment; a minimum cumulative 2.75 GPA in the major area and in the professional education core with no grade less than a C in the major/content and with no grade less than a C- in the professional education core; successful completion of the Teacher Candidate Internship; and a minimum of 120 credit hours, which must include both a minimum of 30 credit hours overall and 12 credit hours of upper-level courses in the major program from Old Dominion University.

Due to changing University requirements, national accreditation standards, and the Virginia Board of Education licensure regulations, the teacher education programs in the College of Arts and Letters are under constant revision. Any changes resulting from these factors supersede the program requirements described in this 4-year plan. Students are encouraged to obtain current program information from their advisors and from the Office of Clinical Experiences website at <http://odu.edu/occe>.

NOTE: Majors must have a grade of C or better in all courses counted toward the major and a grade of C- or better in all professional education coursework. All students must apply for and be admitted into the approved teacher education program. Please refer to the catalog and consult your advisor for additional requirements and eligibility for teacher licensure in Virginia.

Foreign language proficiency through 202 level in French, German, Italian, Latin or Spanish needed.
