General Education and Major Coursework:
- VCCS Equivalency:
- CET 355

- ENGT 434
- ENGT 435W (grade of C or better required)

- CET Elective**
- CET Elective**

Upper Division Gen Education***

TOTAL CREDIT HOURS: 126

This 4-year plan does not include 6 credits in Language and Culture, but this requirement may be waived; see ODU catalog for details.

The four-year plan is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

Declaring a concentration is not mandatory. However, if a concentration is declared, at least three courses must be taken from that concentration area. The core electives are CET 445, CET 460 and CET 465 for Construction Management; CET 325, CET 332 and CET 420 for Site Development; and CET 400, CET 405 and both CET 410 and 450 for Structural Design. The remaining two courses can be taken from any of the other available concentrations.

One or more additional courses will be required to complete a minor. See advisor for details.

Students with an interest in construction, design or site development may substitute an alternate course with approval of their advisor.

The General Education Information Literacy and Research, Impact of Technology, and Philosophy and Ethics requirement are met through the major.

Requirements for graduation include a minimum cumulative grade point average of 2.00 overall and in the major, a grade of C or better in all courses required for the major, including prerequisite courses, 120 credit hours, which must include both a minimum of 30 credit hours overall and 12 credit hours in upper-level courses in the major program from Old Dominion University, completion of ENGL 110C, ENGL 211C or 221C or 231C, and a writing intensive (W) course in the major with a grade of C or better, and completion of Senior Assessment.
