AAS degree program at partner institution	8-12	AAS degree program at partner institution	8-12
13-17		14-18	

Total credit hours: 120-136

*The four-year plan is a suggested curriculum to complete this degree program in four years based on placement into STAT 130M and foreign language met in high school, along with admission to an AAS Nursing program at an approved partner institution. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.
