ADVICE FOR YOUR FUTURE, NOW.

228 Education Building · 757-683-4305 · www.odu.edu/stemps
Students admitted to the program leading to a Bachelor of Science in Occupational and Technical Studies (marketing education, fashion, and training specialist majors), or the Master of Science in Occupational and Technical Studies with a major in middle and secondary education, (business education/distributive education, general - career and technical education) business and industry training or community college teaching can be expected to complete course requirements which necessitate the physical and mental abilities listed below. Any student who thinks he/she does not possess one or more of the following skills should seek assistance from an academic counselor or faculty advisor and Educational Accessibility concerning any flexibility in program requirements and possible accommodation through technical aids and assistance.

1. Assimilate material communicated through lectures, discussions, and readings.
2. Participate in and complete an appropriate directed work experience.
3. Communicate effectively and organize ideas in written documents that are correct in grammar, style and mechanics.
4. Use computing systems to prepare homework, papers, and projects and electronically receive and send class related materials.
5. Communicate effectively and organize ideas for oral presentations in class or from a distance using electronic technology (TELETECHNET distance learning students).
