G2 Ops is small business with big capabilities in model-based systems engineering, cybersecurity architectural analysis and strategic consulting. We provide cost-effective solutions to government clients, giving them the tools to model, protect, maintain, grow and optimize their clients' organizations and critical infrastructures. G2 Ops is an imitate, family-oriented culture and fast-growing small business that is focused on the success of its employees. G2 Ops employees are empowered, encouraged to innovate and recognized for significant contributions to the overall success of the company through bonuses, pay raises, promotions and company parties. Noted as "Best Places to Work" by The Business Magazine of Coastal Virginia (CoVaBIZ) February 2017.

The Women's Business Center is funded in part by a Cooperative Agreement with the U.S. Small Business Administration, [www.sba.gov](http://www.sba.gov)
