

WORKSHOP IN FUNDAMENTAL & APPLIED BIOELECTRICS

FRANK REIDY RESEARCH CENTER FOR BIOELECTRICS

OLD DOMINION UNIVERSITY, NORFOLK, VIRGINIA 23508, USA

JULY 8-13, 2018

INFORMATION

- The Workshop will take place on the first floor of the IRP2 Building on the campus of Old Dominion University, 4211 Monarch Way, Norfolk, VA 23508, USA. Complimentary WiFi is available.
- The Workshop will begin on Monday morning, July 9, 2018, at 8:15AM.
- Registration will be open and a Welcome Reception will take place on Sunday July 8, 2018 between 5 and 6:30PM.
- The Workshop will include five mornings of lectures by faculty prominent in the field of Bioelectrics and three afternoons of hands-on practical experiences.
- A limited number of short (10 min) oral presentations by the participants will be programmed. If you are interested in making a short oral presentation, indicate so on the registration form and e-mail a one page abstract to bcarroll@odu.edu **by Friday June 1, 2018**.
- Complimentary continental breakfast, mid-morning coffee break and mid-day lunch will be provided on site Monday through Friday.
- On Wednesday afternoon, a bus will take participants to the beautiful Ocean Park beach in Virginia Beach for swimming and BBQ at the beach.
- **Registration** in advance of the Workshop (by June 1, 2018) is **U.S. \$450** payable by credit card (Visa/Master Card) or check (in US\$ payable to ODURF). After June 1, 2018 or on-site, registration is \$550. Registration covers: participation in all lectures and laboratory demonstrations/exercises, program and abstract book, access to exhibitors, welcome reception, all breakfasts, lunches and coffee breaks and Wednesday "BBQ @ the Beach" dinner.
- **Housing**: excellent hotel accommodations at reduced rates (\$114+tax per room) are available two blocks from the Workshop venue. Participants are urged to make their own reservations early at: <http://www.marriott.com/hotels/travel/orfod-springhill-suites-norfolk-old-dominion-university/>. Or by calling the hotel at: 757-423-4100. Mention "Bioelectrics Workshop" and ask for "ODU rates".
- **For additional information**: contact Barbara Carroll: bcarroll@odu.edu or +1-757-683-2518.
