Searching/Applying for the Federal Pathways Programs on the USAJOBS website

Link:  https://www.usajobs.gov/studentsandgrads/

First, you will need to create an account in USAJOBS. Click on the Create an Account button as seen on below page:

Once you have created an account in USAJOBS and are logged in, you will click on the “Search Jobs” button. When you see below page, you will need to enter “Pathways” in the “What” keyword search box along with entering your desired geographical preference in the “Where” search box. You can also click on “Advanced Search” to filter your job search.
Clicking on Search takes you to the next step:

You will then need to click on the Pathways Job Title which will open the Job Opportunity Announcement (JOA). You will need to read the JOA in its entirety to determine if you are eligible to apply for the internship/job. If you are eligible, click the on the “Apply Online” button.
