

OVERALL SUMMARY- CAMPUS LISTENING SESSION RESULTS			
	Top 3 Things to Keep	Top 3 Things to Change	Top 3 Future Visions
Student Leaders Open Session	Libraries Webb Center Student Recreation Center	Improved parking Increased/ improved classroom and office space Improved student space (housing & student organizations)	Improved buildings / green buildings Improved residence halls Increased student meeting space
Student Government Association	Campus Monuments (Campus Seal and Monarch Fountain) Campus Open Space Student Life / Organizations	Better layout/use of Webb Center Improve old/outdated buildings Parking	Improved buildings / green buildings Webb Center better utilized / expanded Improved residence halls
Public Safety		Improved facilities for campus police Campus police hubs located throughout campus Better campus conditions for safety- (lighting & secure entrances)	Expanded facilities, training facilities & secure parking Small hubs located throughout campus Location in the Webb Center
Research Foundation	Animal program expanding Bio-safety research expanding	Lack of space and resources for growing programs and students Housing for graduate and married students	Improved research facilities Increase corporate partnerships Additional meeting space on campus
Recreation and Wellness Department	Outdoor adventure program Well used recreation facilities Growing intramural teams/interest	Lack of fields for intramural/ recreation sport Improved facilities Better use of water/upkeep of open space	Additional recreational fields Capitalize on waterfront Challenge course
Deans, Associate and Assistant Deans	University Village improvement	Improved infrastructure (architecture, monorail & waterfront) Better resources for graduate/international students Expand campus	Conference center on campus Faculty club Creation of an East and West campus

	Top 3 Things to Keep	Top 3 Things to Change	Top 3 Future Visions
Staff Open Forum #1	Kaufman Mall Monarch Fountain Webb Center	Monorail, transportation and parking Use of Webb Center Outdated infrastructure - (Gresham & Rogers Hall)	Additional open space Improved crossing / bridge across Hampton Boulevard Updated campus buildings / unifying architectural style
Education Foundation, Athletic Foundation, Comm. Dev. Corp., Alumni Association	Kaufman Mall Football Stadium Foreman Field	Hampton Boulevard crossing Monorail Cohesive building styles/architecture	Expand partnerships with businesses Enhance research / research facilities Expanded football stadium
Student Open Forum	Kaufman Mall Quad Whitehurst Beach	Parking Webb Center Additional recreation/intramural fields	Expanded Greek life / housing Expanded recreational athletic fields Better / additional dining options
Real Estate Foundation	Football program Basketball program Increase in residential students	Improved use of the University Village area Growth of campus-expand partnerships regional connections Campus safety	Improved regional connections Retail anchor for University Village Redevelopment of Larchmont Elementary
Athletics		Improved practice /playing facilities for athletics Locate athletic arenas /practice facilities on campus Accommodations for student athletes	Light rail to sports complex/stadiums Advising/Academic Success Center for athletes Creation of housing for athletes
Faculty Senate Executive Committee		Improve quality of life for student population Daytime and nighttime activities	Improve quality of life for students
Education Accessibility	Modeling and Simulation Labs Orchid house Planetarium	Powatan Sick Buildings Historic Buildings not used well/ need renovation Science Buildings	Captioning in TED and Stadium/ Assistive Listening systems throughout campus Parking- each building to have dedicated HC parking Veterans/ Military to have centralized program space

	Top 3 Things to Keep	Top 3 Things to Change	Top 3 Future Visions
Staff Open Forum #2	Lion Fountain Kaufman Mall Forman Field	Improve Hampton Blvd Crossing Renovate Webb Center/ New Student Center Lite Rail Service to campus/ Remove Mag-Lev	Light Rail/ Non Stop Campus Shuttle/ Campus Shuttle between Distance Sites (RHEC) and Main campus Conference Center/ Meeting Spaces Additional Landscaping/ gardens/ green spaces/ recreation spaces
Faculty Open Forum #1	Kaufman Mall Foreman Field/ Stadium Natural/ Open Spaces/ Green Spaces/ Landscapes	Better Public Transit/ Light Rail Adequate Parking Attractive campus/ natural beauty/ Green Space/ More outdoor gardens	Convention Center/ Conference Center/ Meeting Rooms/ Waterfront Venue for Weddings Additional Student life space/Meeting space for student use Better Shopping/ Greater Accessibility to Big Box stores (Target Wal-Mart)/ Grocery/ Trader Joes near campus
Department Chairs	Learning Commons Green Space/ Open Space/ Gardens Recreation/ Wellness Center	Classroom Space- New/ more/ Flexible/ Studio type/Larger Health Science Office space/ Faculty and Grad student/ Health Science New Large Meeting space Multi purpose Flexible space	Additional green space/ gardens/ Landscaped sitting area Adequate Office space for full time faculty/ Office Space that is conducive to research and student interaction Architectural Branding / Distinctive Buildings- Traditional/ Contemporary
Board of Visitor Retreat	Foreman Field Kaufman mall Lion Fountain	Facades of buildings Monorail- Remove Webb Center Is confusing	Campus "Architecture" Campus Entrance/ Gateway Event Drop of and Pick up zones throughout campus
Student Open Forum #2	Webb Center Kaufman Hall Lion Foutain	Not enough parking Housing / Freshman housing/ Renovate Gresham, Rogers and Powhatan Public Transportation	More Housing/ More single rooms suite Residences Ballroom/ Meeting/ Event Space Larger study Rooms in Student union

	Top 3 Things to Keep	Top 3 Things to Change	Top 3 Future Visions
<p>Faculty Forum #2</p>	<p>Green spaces on campus , Lots of trees, Open space , Ample areas for recreation and open outdoor spaces, use regional plants landscaping, Ample areas for recreation and open outdoor spaces, Landscape, flowers, benches</p>	<p>Crossing Hampton Blvd./Improve link between University Village and the main part of campus/ Reduce Traffic on Hampton</p>	<p>Recreation - Add another gym and residence hall, Ice rink, Additional recreation facilities, smaller satellite gyms, New recreation center, Open space Outdoor hangouts for sports, cookouts, etc., Recreation Outdoor swimming pool – Olympic size, Skating park so the students will stop their antics in the way of pedestrian traffic</p>
	<p>Lion statue/ Fountain</p>	<p>Parking needs to be expanded so that it is cheaper, more accessible and more available, More dedicated faculty parking</p>	<p>Transit- Access to city centers, HRT light rail through Ghent, campus, up Hampton to Norfolk Naval Station, Light rail connection, More transit hubs, Public transit linkage w/class schedule</p>
	<p>Kaufman mall</p>	<p>Add a visitor/ welcome center, Admissions (Rollins Hall)- presentation space, welcome area, meeting space, Enhance admissions building to excite interested and new students</p>	<p>Ballroom for social functions, Conference center, auditorium for 600, More meeting space for commuting and campus constituents</p>
