### **Issue #1**

Summer School-7 sessions-Is this too many?

- Overlaps of classes
- Tuition-SCHEV-against us for summer school financial aid (\$)
- Summer camps
- Services for students-meal plans, heall, health
- Faculty pay for summer
- Revenue
- Space utilization-poor
- Continuing education- could use the space and generate revenue
- Course sequences-impact graduation
- Impact maintenance of buildings during summer

### **Issue #2**

3 Semester

- Concept make sense
- Semantics-cause budget trigger
- Subset 3 week classes
- Different subsets
- Financial aid-fulltime-how impact need vs. award
- Accelerated-do they perform well
- Are there better courses

How did multi session summer sessions begin?

- Fewer sessions/longer session?
- Impact employment?

Who takes summer- in/out of state?

Activity hour-1 day of week?

- Add 7 a.m. classes
- Friday afternoon

No credit classes

- How impact us?
- Revenue generator?
- ELC uses
- Holds space and then released-open enrollment

## Trigger

- # is important
- can't be us-are we comfortable
- SCHEV rules
- Russ-tell more about factor
- Trigger questions
