

FACULTY SENATE ISSUE FORM
Date Submitted: 11/24/2020
Title of Issue (a short descriptive title by which the issue may be referenced)
Continuance policy for non-degree students
Description of Issue:
The Graduate Administrators' Council (GAC) recommended
edits to the continuance policy for non-degree students (including students in certificate
and licensure programs). The language was edited to clarify hours allowed to raise the
GPA after probation before suspension occurs.
Rational for Submission:
The Graduate School requested GAC consider the edits to assist its review of non-degree
students who are on probation. The existing policy was inconsistent for different types
of non-degree students; the revisions make reviews more consistent before making the
decision to place students on suspension.
