Title: Review of Faculty Handbook Policies

Description: Following are nine handbook policies to be considered for review and possible revision/termination.

- Class attendance by guests
- Faculty class attendance
- Final examinations
- Faculty office hours
- Course syllabi
- Class rosters
- Grades and grade sheets
- Personal use of university materials or funds
- Disruptive behavior policy for faculty and faculty administrators.

Rationale: Many of these were approved over 10 years ago and do not take into account how the needs for students, faculty and administrators may have changed. For example, the policy on office hours does not take into account online courses.
