Faculty Senate Issue Log Form

Title-of-Issue: Exam Proctoring for Online courses

Description: We have been informed that some of the options for online proctoring for Distant Learning courses are going away after this semester. What are the options for secured exam proctoring will be available to us in the upcoming semesters? We would like to have DL present to the Senate what proctored exam options we can use that are supported by the university.

Rationale: We receive no direct information from DL and ODUGlobal regarding online teaching changes.
