Date-Submitted: November 13, 2023

Title-of-Issue: Specifying a due date for faculty seeking tenure and promotion to inform the department chair of their intent.

Description: Currently there is no due date for faculty seeking tenure and promotion to let their chair know about their intent. This may result in identifying and receiving external reviewers hastily and causing quality control issues.

Rationale: A due date should be set for faculty informing their chair about their desire to seek promotion and tenure.
