I. PROCEDURE:
OVERVIEW:

Transaction for services and products paid online through the Touch net sites. All transactions and adjustments must be submitted to the Cash Office for processing. Refer to Monitoring Departmental Compliance for Deposits (4-525).

Making Deposit:

1. Retrieve totals from your departmental database (ex:T-2 and Touch Net) Login using the following link https://secure.touchnet.com/ucommercecentral

2. Type in your User Name using the following Identifier Code C21192 with your Midas ID and then type your temporary password if you are a first-time user. Once in you will have the opportunity to change your password

Example: C21192.bboyd

3. Go to Application Tab
   a. Select Payment Gateway
   b. Select Reports
   c. Payment Type- Credit Card
   d. Report Box- Batch Details
   e. Begin date- Prior day(s) activity date (1-23-2018; 00:00)
   f. End Date- Prior day(s) activity at the closed of the day (1-23-2018; 23:59)
   g. Select – View
   h. Review the detail report(s)
   i. This report provides detail of the transactions
   j. Print for your records if needed

4. Print the Batch Settlement Report as backup for the deposit.
   a. Report Box- Batch Settlement
   b. Begin date- Prior day(s) activity date (1-23.-2018; 00:00)
   c. End Date- Prior day(s) activity at the closed of the day (1-23-2018; 23:59)
   d. Select – View
   e. Review the report to ensure the totals match the detail report(s)
   f. This report provides funds that settled into the bank for reconciliation
   g. Print to send with the deposit form

For multiple days reports select the date range desired: (Ex. 1-18.2018- 1-20-2018)

NOTE: These two reports should agree in total amounts
5. Prepare/Submit an ODU Official Revenue Deposit Form
   a. Attach a copy of the batch settlement report
   b. Retain copies of deposit forms for your records
   c. Submit the ODU Official Revenue Deposit Form
      i. Method of Payment – UPAY CHARGES
      ii. Fill out the Budget information to be credited
      iii. Two signatures required before submitting
   d. UPAY/USTORE deposits ONLY submit via email to cashiersoffice@odu.edu
   e. IF additional methods of payments are used
      i. Run calculator tapes for cash and check totals
      ii. Add all funds to ensure balance
      iii. Add budgets amounts to ensure balance
      iv. Secure in a locked bank bag for pickup

Refer to: Procedure for Balancing a Cashiering Session/Cash Report (4-528)
6. Place the ODU Official Revenue Deposit Form and Touch-net Batch Settlement report(s), along with all other funds to be deposited, in your department’s locked bank bag and place in a secured facility until pick up by campus police or delivered to the Cashier’s office.

Refer to Department Guide for Receipting and Transmitting Funds (4-902).
TOUCHNET REFUND STEPS – MANUAL PROCESSING:

This process is necessary if a refund is being process in Touchnet. You must fill out an adjustment form to request all refunds. The refund request will be processed in Touchnet by the Cash Office Staff. Please allow 3-5 business days for an adjustment to be processed.

1. Prepare Touchnet Adjustment Memo
   a. Select reason(s) for the adjustment
   b. Attach any supporting documentation.
   c. Attach the Touchnet printout
   d. Retain copies for departmental records.

2. Retrieve the Credit Card Detail Report in Touchnet
   a. Login Example: C21192.bboyd
   b. Click the Payment Gateway tab
   c. Go to your USTORE/UPAY site
   d. Retrieve the reports for the date and transaction in questioned
   e. Click on the reference number of that transaction
   f. Print to attach as supporting documentation for the credit adjustment
   g. Send the package to Cash Office via email cashiersoffice@odu.edu
3. Once Refund is processed by the Cash Office
   a. You will receive a copy of confirmation for refund
   b. Obtain a copy for your department’s records

NOTE: If there are no offsetting sales on the same day a refund is process, you STILL will need to send over a deposit form for processing
c. Fill out a deposit form on the next business day to debit your budget
   i. Review the Credit Card Detail Report for the refund
   ii. Reconcile report to determine the budget information
   iii. If Total is **positive** place amount on the UPAY line
   iv. IF Total is **negative** place amount on the UPAY line -250
   v. Fill out budget code for the refund with **negative** amount
   vi. Send to cashiersoffice@odu.edu for processing
FOR CASH OFFICE:

1. Login to Touch net to make Manual Adjustment/Refund
   a. Click Payment Gateway Tab
   b. Click Payment Task
   c. Select your USTORE Merchant
   d. Click Manage Credit Card Payment
   e. Select the date range
   f. Put in the last four of card number
   g. Click View
   h. Verify to make sure you have the correct payment
   i. Click the reference number
   j. Go to box Adjusted amount and Type dollar amount 0.00
   k. Click Process
   l. Refresh to ensure credit was processed
   m. Print and file with Adjustment form
   n. Send a copy to the Department for their records

TOUCHNET ADJUSTMENT STEPS – THIRD PARTY DATABASE PROCESS:

This process is necessary if your ThirdParty Database system automatically updates correction(s) to Touchnet.

1. Compare the Touchnet Credit Card Batch Settlement Report and the Touchnet Credit Card Detail to your ThirdParty Database system to determine the amount(s) of the discrepancy.

2. Follow instructions submitted to you by your ThirdParty Database administrator on how to submit a Touchnet correction via your thirdparty system.

CONTACTS:

For questions regarding this procedure and/or practice, please contact the Cash Operations Supervisor at 757-683-6846 or Director of Student Accounts at 757-683-6881.
