Human Resources is pleased to announce the 2016 University Staff Dream Fund program. First launched in 2008, this program, which is privately funded through an Educational Foundation endowment, will provide monetary awards and/or paid time off for staff members to fulfill a long-held dream—to pursue studies in an area unrelated to work, traveling to another country or visiting family far away, for example. State recognition policies apply. The awards are not intended to address personal hardship situations, emergencies or job-related professional development.

Proposals will be reviewed by a committee that includes representatives from the President’s Office, Chief Operating Officer, Academic Affairs, Student Engagement and Enrollment Services, University Advancement, HACE, AUA, and Athletics. Final selection of winner(s) will be made by the Selection Committee comprised of the VP for Advancement, the VP for Human Resources, and an Employee Relations Consultant. Recipients will be selected on the merits of their proposal, their past service and promise of future service. The winner will be announced in late spring and funding will be made available in July.

Eligibility:

◊ Full-time classified employees and full-time administrative and professional faculty
◊ Service at the University for a minimum of five years
◊ Satisfactory or higher performance evaluations
◊ No active disciplinary actions

Proposals are due to the Department of Human Resources by Friday, May 6, 2016. A description of the program, including selection criteria and a proposal form, are available on the Human Resources’ web site.

Proposal Packets must contain:

◊ A thorough description of the dream and the reasons for it
◊ A budget/financial plan for achieving the dream.
◊ Letter of support from a direct supervisor indicating the candidate is a valuable and meritorious employee;
◊ Letter of support from an Old Dominion University colleague;
◊ Statement of intent to remain at Old Dominion University for the foreseeable future.

Monitoring Performance in PAPERS

Monitoring performance throughout the performance management cycle is essential for providing accurate and complete feedback for performance evaluations. The PAPERS performance module includes a tool called “Progress Notes” for supervisors and employees to monitor performance throughout the year.

Progress Notes is an optional tool and, while not required, is recommended as an accurate method to track progress on performance.

For more information, please view the Progress Notes quick guide or contact Cori Okonek at cokonek@odu.edu

School Assistance and Volunteer Service Leave

School Assistance and Volunteer Services Leave is intended for specific purposes and requires supervisor approval prior to use. Supervisors may also require written documentation to verify eligibility for this type of leave.

Please review the School Assistance and Volunteer Services Leave Policy for full details on acceptable use.

Launch of Probationary Review Programs in PAPERS

All Classified employees hired on or after 3/25/2016 will receive their performance plan, six month and 12 month probationary reviews through the Probationary Programs in PAPERS. For assistance completing these programs, please review the quick guides for the Probationary Program and the Probationary Conclusion Program.

For questions or assistance please contact Cori Okonek at extension 3394 or cokonek@odu.edu

PAPERS 5.8

PAPERS 5.8 will not be accessible to download historical documentation beginning Summer 2016.

If you need copies of position descriptions or performance evaluations from previous years, please use this link to access PAPERS 5.8

Once PAPERS 5.8 is deactivated, historical records will be downloaded and retained on file in Human Resources for the prescribed retention period.

Electronic Personnel Action Form (EPAF) Change

Effective April 1, 2016
A new field has been added to the Rehire Same Position and Rehire New Position EPAFs for Student and Graduate Assistant employees.

The new field added is: VP Area
The field is being added for reporting purposes. The Budget Code of the primary position should be in the VP area.

Please review the updated instructions for detailed information.
Supervisor Changes
Please notify Human Resources when there is a change in reporting structure.

Human Resources Information Systems must be updated when changes are made to ensure notifications and tasks are sent to the correct supervisor.

To notify Human Resources of any changes, please contact Pam Harris and include the employee’s and supervisor’s UIN.

Separations
Due to the launch of Banner XE Employee Profile and the My Team feature, it is imperative that you notify Human Resources timely of employee resignations or completion of appointments. For hourly separations, Human Resources must have a copy of the resignation letter and departmental staff also must complete the EPAF to terminate the employee and/or position.

If you have any questions, please contact Pam Harris.

Resignations
Should you resign from your position with the University, please indicate in your resignation letter whether you are taking another position with a Commonwealth of Virginia agency. This will allow Human Resources to properly process the information so that computer access and benefits are not negatively impacted.

If you have any questions, please contact Pam Harris.

Employment Eligibility Verification Form (I-9)
On March 28, 2016, USCIS published a 30-day notice in the Federal Register inviting public comment on proposed changes to Form I-9. The public may provide comments on the proposed changes, until April 27, 2016. In response to the public comment USCIS received during the 60-day notice, USCIS has made further improvements to the proposed form.

After the 30-day period ends and public comments are considered, USCIS may make further changes to the form. The Office of Management and Budget (OMB) will review the information collection for approval. Departments must continue to use the current version of Form I-9 (expires 3/31/2016) until OMB approves and posts the proposed version.

If you have any questions, please contact Pam Harris, Staffing & Operations Manager.
National Walk at Lunch Day

April, 27th 2016 marks the 10th year of National Walk at Lunch Day, which is designed to complement your busy lifestyle, not compete with it.

This special day was created to improve personal health by starting a new daily walking routine, helping you to improve your health step by step.

Studies have found that regular walking, particularly at a brisk pace of 3mph, can substantially reduce the risk of developing heart disease, stroke, and diabetes. Simply performing 30 minutes of moderate physical activity at least five times a week also has significant health benefits, lowering the risk of developing cardiovascular disease, and helping to improve the health of muscles, bones and joints.

So grab a couple of your colleagues and get out of the office on Wednesday, April 27th! Enjoy a stroll around campus!

Walking Tacos

Ingredients:
- 2 teaspoons olive oil
- 8oz. uncooked ground turkey breast
- ¼ cup chopped onion
- ¼ cup chopped red sweet pepper
- 1 tbs. reduced-sodium taco seasoning
- 1 tbs. water
- ¼ tsp. crushed red pepper
- 5 100 calorie nacho cheese-flavor tortilla chips
- 1 cup shredded romaine lettuce
- 2/3 cup diced tomato
- 1/3 cup shredded reduced-fat cheddar cheese
- 5 tsps. Light sour cream

Directions:
1. In a large skillet, heat oil over medium heat. Add turkey breast, onion, and sweet pepper. Cook until turkey is no longer pink, using a wooden spoon to break up meat as it cooks. Stir in taco seasoning, the water, and crushed red pepper. Cook and stir for 1 minute more.
2. Open the bags of tortilla chips; if desired, gently crush chips. Add lettuce to the bags. Top with cooked turkey mixture, tomato, and cheese. Top each with a teaspoon of the sour cream. Use a fork to mix together and eat from the bag. Makes 5 servings (1 walking taco per serving)
