SUPERVISOR RESPONSIBILITY FOR COMPLIANCE

On-boarding refers to the process of welcoming new employees and helping them adjust to the expectations and climate of their new job. It also accomplishes requirements that supervisors have to inform employees about key policies. Research reveals that when onboarding is done well, outcomes include higher job satisfaction, commitment to the agency, lower turnover, higher performance levels, career effectiveness and lower stress!

This checklist includes all required – and recommended - topics for supervisors of new classified employees. Supervisors should discuss each item on the checklist with the new employee and check the space beside the topic as discussed. Employee and supervisor should provide electronic signature indicating that the topics were covered. Supervisor should retain a copy in the supervisor’s file and complete onboarding within one week of the employee’s attendance at New Employee Orientation.
