**Attention Teleworkers!**

When the University closes due to inclement weather or other emergencies, employees who are working from home are expected to work as scheduled. The Old Dominion University Telework Agreement states that employees working at home during a university closing are expected to continue working unless that is not possible due to power outages or other conditions that prevent him/her from working. Employees who are teleworking during an authorized closing do **not** receive compensatory leave for that time.

**Retirement**

**Margaret Inge**, HR Operations Manager, retired January 1, 2010 after 24 years of service for Old Dominion University. She wore many hats during her years in the Department of Human Resources and we wish her a well-deserved retirement. **Pam Harris** (pharris@odu.edu) is the interim point of contact for the operations unit (recruitment and transactions) and can be reached at 683-5131.

**Benefits**

**Communication with Human Resources**

Please include your University ID number (UIN) when you contact Dave Hollembeak, Natalie Watson or Chandra Benson in the Benefits Section (e-mail, voice mail, etc.). Providing your UIN will assist your HR team to respond to your inquiry in a more timely and accurate manner. Thanks for your help!

**COVA Connect (Optima) Representative on Campus**

In response to concerns about our coverage with COVA Connect, an Optima representative will be on campus to answer questions:

- 9:00 am to noon, Wednesday, 1/19 and Thursday, 1/20, Webb Center, Rabbi Reich Room
- If you have a specific question, please bring any applicable paperwork (letter, Explanation of Benefits, bill etc.) with you.

**Employee Supplemental Retirement Contribution Limits are Not Increasing**

IRS has announced that the Annual Employee Contribution Limits for Tax Sheltered Annuities (TSA/403b) and the State’s Deferred Compensation Plan (DCP/457) are not increasing for 2010. Calendar Year 2010 Limits will be:

- $16,500 for employees under age 50
- $22,000 for employees over age 50 or turning age 50 in 2010.

Submission of a CY-2010 form is not required for your contribution to continue at the level you have currently set.

**Telephone Directory Goes Green:**

In keeping with environmentally-friendly initiatives and current budget constraints, the 2009-2010 Faculty/Staff Telephone Directory will not be printed. Instead, an on-line version will be available in January 2010. As soon as the new directory is available on-line, University Relations will send out a campus-wide email with instructions on how to access the new on-line telephone directory.
