

Zoom for Students

You do not need to have a Zoom account to participate in a class hosted in Zoom. In order to get the most out of your class, we recommend installing the Zoom client on your computer.

Download Zoom

- Go to zoom.us/download and download the **Zoom Client for Meetings**.

- Run the installer after it downloads. The Zoom application will start running once the installation is finished.

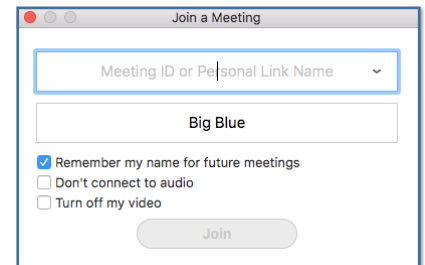

Get Help

If you're viewing this guide digitally, click on the following topics for help:

- [Join a meeting](#)
 - [Enable side-by-side mode](#)
 - [Computer/device audio](#)
 - [How do I share my screen?](#)
 - [In-meeting chat](#)
 - [Audio troubleshooting](#)
 - [Video troubleshooting](#)
- Find more help at support.zoom.us

Join a Meeting

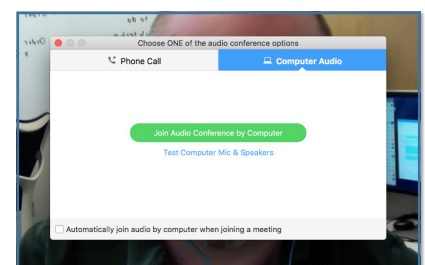

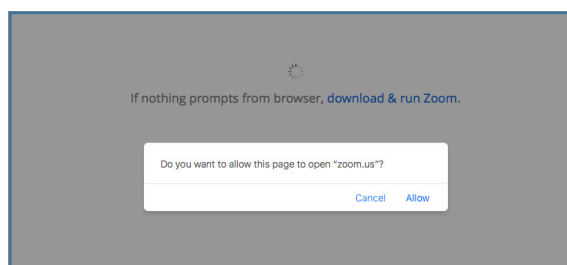

- Click on the **Join a Meeting** button.

- Enter your Meeting ID (provided by the host) and your name. Select your audio and video preferences, and click **Join**.

Join Using a Meeting Link

- If your instructor sends a meeting link, click on it to go directly to your class. The link should look something like this: <https://odu.zoom.us/j/000000000>.

- Select the Computer Audio connection, and click **Join Audio Conference by Computer**.
